SECRETARY REPORT SEASON 2023/24

From the Secretary's desk.

A huge thanks to the Executive Committee for supporting me in this role for the first time, they were always there to answer my many questions and assist me where needed.

I would like to congratulate all players, both junior and senior this year on another successful season of cricket within the BCDCA.

Congratulations to all premiers this year and to our Under 15's who became the State Champions this year, well done to all players, coaches, managers, scorers, parents and partners for supporting our players this year.

Thank you to the MC Members for attending the monthly meetings and making sure the important information is passed onto the right people.

I look forward to another successful upcoming season of cricket as it will be here before we know it.

Regards,

Leanne Edwards

Secretary

TREASURER'S REPORT SEASON 2023/24

You are directed to consult with the minutes of the BCDCA AGM held on 12/6/24.

Umpire's Association Report 2024

The Association did not conduct any coaching classes of its own last season All those who joined the association last season did so as a direct result of successfully completing Level 2 courses conducted by N.S.W.C.U.& S.A.

On behalf of the Umpires Association, I would like to urge all those who completed umpiring courses in the past to seriously consider umpiring next season. If this happens we should be able to provide a good overall cover for matches not only for next season but future seasons as well.

On average we had three umpires appointed to junior matches through the season and upto 12 umpiring senior matches each round.

Players and those who support them are entitled to have the benefit of qualified umpires in charge of their matches as this can lead to a lessening of disputes.

We would like to thank all those persons who stood in the finals series as well as those who stood in the interdistrict series. Positive reports were received. Your efforts were greatly appreciated.

Finally we would like to thank the Blacktown City and District Cricket Association for its support during the season. All umpires truly appreciate this support.

All of those involved in the game should remember that it is our responsibility to ensure that the next generation of cricketers are fairly taught the skills plus the laws of the game and in turn to enjoy life rather than anything else. Nothing can be achieved by adopting a win at all cost attitude One of the great traditions of our game is to always have respect for your opposition team

Appointments Committee Report

We have just completed another successful year for our association.

With the Bye round in the competition more players have successfully completed the NSWCUA course, joined our Association and made themselves available for appointment. This has increased our membership numbers.

Throughout the season we were able to appoint on average 12 umpires to senior matches per round, which allowed us to cover all first grade matches and games where an umpire was requested. It also meant that most teams in the Senior competition had an umpire on a semi regular basis throughout the season. We had 4 umpire available for Junior matches on a regular basis.

With assistance and co-operation of the Umpire's Association and the BCDCA we were able to appoint umpires to all Senior semi-finals/finals. In Juniors we able to appoint Official umpires for finals from under 13's to under 17's. A big thankyou to the Appointments Committee and to all umpires who stood in these matches.

On a personal note I would like to thank our Appointments committee and Nathan Mahoney who assisted with appointments.

Congratulations to our members who were appointed to umpire matches in the NSW Youth Championship.

Our Association was also required to provide umpires in the Junior President Cup Competition. Thanks to all umpires involved in these games.

Congratulations to all teams who competed in these Rep competitions. It was great to see a number of our teams make it through to the finals. All matches were played in the right spirit throughout the competition.

Attendance at our monthly meetings has been very good. These meetings enable our members to raise issues and questions on the match day experiences and have these issues discussed in a friendly and informal manner. All members in attendance were afforded the opportunity to be involved in discussion on the laws of the game and local rules. All members benefit from these discussions.

I hope to see everyone back next season. If you know anyone who may be interested in umpiring next season please get him or her to contact John Jordan or Brian.

Enjoy the off-season.
Brian Dick, Gordon Jackson and Paul Dick.

Presidents Report 2023/24 Season

We have just completed a successful season and I would like to congratulate all members on their diligence and assistance in contributing to this success.

As President of the Association it is great to report that our umpiring numbers each weekend have increased. This is due in part to more players within the BCDCA accessing and successfully completing the NSWCUA Level 2 Course. These courses are available either in person or online through NSWCUA.

Blacktown, Nepean and Hawkesbury Umpires Associations co hosted one of these courses over a weekend in August at Howell oval. It was a great success and we have organised another course this year in June. Special thanks must go to Ben Treloar and Claire Polasak for their presentation.

It is highly recommended that anyone who is interested in umpiring should nominate for our course in June or any of the other opportunities available through NSWCUA.

It is great to acknowledge that the BCDCUA have their first Level 2 Junior female umpire. Emily Klein successfully completed the Penrith course, joined our association and has umpired throughout the season. A great achievement.

I would like to thank all umpires who made themselves available for competition, representative matches and junior and senior finals. Feedback from these games was excellent.

The Umpires Association could not function without the great work of both the Executive and Gordon Jackson. They have worked tirelessly throughout the season, organising appointments, attending all management etc meetings, administrative/treasury and liaising with NSWCUA and clubs. To all of you a big thanks for all your work through the season.

It is also great to see some of our members who obtained NSWCUA qualifications have taken up the opportunity to be considered for appointment in Grade and Shires competitions.

Furthermore, I would like to thank the BCDCA for their help and support throughout the season, as always it is greatly appreciated.

Yours in sport

Brian Dick

JUNIOR COMPETITION SECRETARY'S SEASON REPORT 2023/24

To the members of the BCDCA,

As the end of our most recent season has approached, as always, I thank you for your support of your players, your child's participation, your thankless roles and responsibilities as either a Parent, Scorer, Manager, Coach, and Supporter.

The ever changes in our community sport comes in plenty of avenues, sometimes a headache of two. I would always ask that members look to submit mistakes found in our junior rules and offer up a rewrite to clear up any ambiguity.

Parents need to ensure that they allow the game to be played, without interruption. Club and team officials need to ensure that any parent is held accountable for any disruption of the match. Please encourage these members to participate in umpire training to gain a better understanding of these rules that we play by.

Congratulations to the Glenwood Redback CC on being named the Club Champions for the 2023-24 season. I would also applaud in no order; The Ponds, Clydesdale Farm, Plumpton-Glendenning, Kellyville Ridge, Galungara, Blacktown City and Blacktown Workers Jrs Clubs for celebrating success in obtaining a premiership.

Much of what I complete each year comes from our Management Committee, I ask them to put forward what needs to be pushed and run. When there are many meetings where not much has been completed, it does fall on my leadership and judgement.

This year, I made a decision that affected the Stage 1 program. This was based on the previous season in which I was disappointed in a finals match. From this, I removed post-season matches for division two teams, this provided renewed competition for teams aiming for finals in division 1. From this change, I had positive feedback from teams and most importantly, the umpires during these post season matches.

This may be the continued approach as we move forward, these encourage our talent and our ambitious players to push into division 1 teams, raising the level in the Blacktown council. This will also see a push into our rep teams, as they challenge other associations in either Youth Championships and IDCA competition.

As a final note,

Please ensure you set up your blast programs 7-8 weeks before the start of the season. This would be ideal in July and August prior to our competition starting in September. Once the AGM has confirmed the fees for the new season, you are welcome to start your registration for the 2024-25 season.

Thank you,

Adam Kennedy

Junior Competition Secretary

SENIOR COMPETITION SECRETARY'S SEASON REPORT 2023/24

The season started as usual, on the second Saturday of August with 14 grades, 7 teams in each. The draw consisted of 5 two day games and 11 one day games. Some requested that the number of two day games be increased to allow every team to play each other within the two day format however this would be outside the senior competition rules and would have caused issues with the season conclusion date.

The first few rounds were affected by rain however most teams were able to complete three games prior to regrading. The grading committee decided on re grading a few teams however other than an 11th grade team moving into 2nd grade there were no major changes. The 11th grade team who were moved into 2nd grade were done so as it was identified that there were major inconsistencies across the "team nomination" form. Inevitably this team would withdraw from the competition along with one other from another grade. I have to thank Adam for his assistance with PlayHQ re grading after round 5.

Due to the number of teams nominated the district is well short of fields which resulted in the introduction of two floating grades. These two grades, second and seventh, played at fields made available by bye teams. The introduction of bye teams umpiring games has not been without controversy however it must be understood this rule was passed by a majority of the MC and has resulted in a significant reduction of P&Ds over the past three years.

After the resignation of the previous senior competition secretary six years ago, a significant effort has been put into the district to reduce the number of on field issues and the introduction of bye umpires is clearly having its desired effect.

Throughout the season we saw a number of rounds effected by weather including one round "cancelled" by the executive due to persistent rain.

Leading onto the finals we had a tremendous number of volutes to assist with umpiring duties and due to this we had at least one official umpire for all semifinals and two official/NSW qualified umpires for all finals games.

The results for the finals can be found in the comprehensive annual report completed Adam.

Senior Competition Secretary
